Fix You

When you try your_____, but you don't succeed
When you get what you want but not what you need
When you feel so tired, but you _____sleep
Stuck in reverse
And the tears come streaming down your face
When you lose_____, you _____replace
When you love_____, but it goes to waste
Could it be_____?
Lights _____guide you home
And ignite your bones
And I _____try to fix you
And high up _____ or down _____
When you're too in love to let it go
But _____you never try, you_____ never know
Just what you're worth
Lights will guide you home
And ignite your bones
And I will try to fix you
Tears stream down your face
When you lose something, you _____replace
Tears stream down your face and I
Tears stream down your face
I promise you, I _____learn from my mistakes
Tears stream down your face and I
Lights will guide you home
And ignite your bones
And I will try to fix you
