WORKSHEET FOR UNIT 9

Read the passage below.

DAVE SCHOOL'S SPORTS DAY

We had our annual sports on the 21st of December. The day was full of fun and excitement. The school building, the main gate and the playground were well decorated with balloons and ribbons. All pupils will participate in the competitions. The principal of our school declared the sports open. There was a band marching past by the players, beating of the drums and clapping.

The events included competitions like races, high jumps, javelin, and many more. I took part in 50 meters race. In 50 meters race I came out first. I was given a gold medal. In high jump, Joel won the first prize. He is my best friend. We took pictures with our medals. The events closed with a prize giving ceremony. The prizes were given away by the Chairman of a Games Club. My parents were very proud of me as I am the champion. I am so happy to take part in Sports Day.
