Full name: Class:

Based on the texts below, complete the following sentences.

Text 1

One of the countries which strongly fights corruption is the Philippines and earlier this month a government audit revealed that 82 suspicious NGOs received over PHP 6 billion ($135m) from sneaky politicians. The audit encouraged many Filipinos to gather in Manila's main park on 26 August to stop the pork-barrel politics. These demonstrators feel the spirit of People Power which succeeded in overthrowing the corrupt regime of Ferdinand Marcos in 1986.

Text 2

A major issue resentfully influencing India's economy is corruption. In 2005, a study conducted by Transparency International reported that more than 62% of Indians had first-hand experience of paying bribes or nepotism to complete work at public offices. Two years later, a report from the same organization revealed that about 40% of Indians had first-hand experience of paying bribes and nepotism. According to Transparency International in 2012, India was 94th most corrupt country together with Benin, Colombia, Djibouti, Greece, Moldova, Mongolia, and Senegal.

Finite Clause
