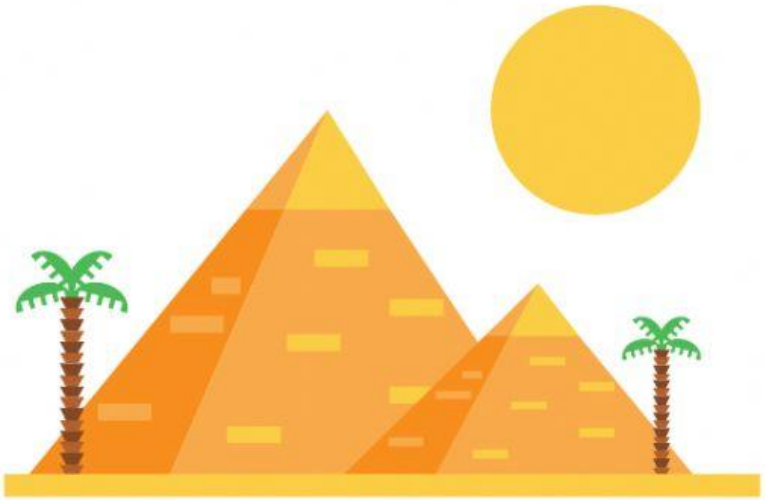
Rain



You are on holiday in Egypt. It's 7 a.m., you've just got up and looked out of the window. The sun is shining but you can see the street is wet.

You say: "Obviously, it _____ (rain) during the night but it _____ (rain) any more. The rain _____ (stop) before I _____ (wake up)."

Later you speak to your guide and she says: "This is a very dry country. It _____ (not rain) here very often. Last time it _____ (rain) here was 3 months ago
