LOVE ME LIKE YOU DO

Ellie Goulding

I.LISTEN TO THE FIRST PART OF THE SONG AND ORDER THE SENTENCES.

Lo-lo-love me like you do
Let me take you past our satellites
You're the cure
So much
You're the light
Cause I've never been so high
You can see the world you brought to life
To-to-touch me like you do
Follow me through the dark
What are you waiting for?
You're the only thing I wanna touch
Never knew that it could mean so much
You're the fear
Lo-lo-love me like you do
You're pain
To life
Touch me like you do
You're the color of my blood
You're the night
So love me like you do
I don´t care
Love me like you do

II.LISTEN TO THE SECOND PART OF THE SONG AND CHOOSE THE CORRECT WORD.

Fading in - it, fading out – aunt
On the edge - end of paradise
Every inch of your skin – skier
Is a holy Grail I've go to find – found
Only you can – can't set my heart on fire, on fire
I'll let you set the pace – place
Cause I'm not thinking straight – strange
My heads spinning around - acount
I can – can´t see clear no more
