Answers from 1st video:

1 Kalia comes from Nepal.
2 She is extremely happy whenever she enters the football pitch.
3 Kalia is 16.
4 The children didn't know how to study, because they were not motivated.
5 Kalia is transformed, because of sports.
6 Kalia's parents' wish is to marry her off.
7 Kalia is not sure that her parents won't marry her off.

Answers from 2nd video:

1 They have to collect water.
2 There are germs in the water they drink.
3 People can die when they drink that water.
4 There are organizations which help.
5 A freshwater well, a rainwater catchment and water pumps.

Three extraordinary things by 2030:

1 PREVENT POVERTY (*spriječiti siromaštvo*)
2 EQUAL CHANCES FOR EVERYONE (*jednake šanse za sve*)
3 PROTECT OUR PLANET (*zaštititi naš planet*)
