UNIT 9 : TAKE CARE

All about holiday health

FIRST AID KIT

Step 1: Read

1. Look at the first aid kit and the words in bold in the text. When you go on holiday, do you take a first aid kit with you? What first aid items do you take?

2. Read the advice and answer the questions.

1 What should you put on a blister?

2 What should you do if a snake bites you?

3 What should you always wear in the sun?

4 When should you use the insect repellent?

5 What should you do if you get a headache?

6 What should you do if you feel sick when you're travelling?

Step 2: Listen

3

3.28 Listen to two friends talking about a mobile app. What is the app called?

4 Listen again and choose the correct answer and tick ‘ √ ‘

1 With this app, you can …

a) talk to a real doctor.
