Lesson E Writing

A **Read the paragraph. Write the numbers of the sentences in the paragraph.**

[1] I love hiking. [2] I go almost every weekend with a group. [3] First, I love being in nature, and hiking through forests and up and down hills is my favorite thing to do. [4] Of course, the exercise and fresh air are good for my health, too. [5] In addition, it's a social activity because the other hikers and I talk as we walk. [6] I've made some great friends this way. [7] Finally, when I use maps and plan routes I have to exercise my brain as well as my body. [8] To sum up, I think hiking is something all people should do to get healthy and enjoy nature.

_____ **a.** Topic sentence _____ **b.** Supporting sentences _____ **c.** Concluding sentence

B **Read the paragraph. Underline the sentences that give advice.**

[1] In my opinion, my friend Gustavo's video game playing is out of control. [2] He has to stop playing during the week. [3] He should delete all of the games from his cell phone, too. [4] Then he won't always play video games on the bus, between classes, and in the library. [5] He should only play them on the weekend. [6] Maybe he could make a goal to put away his gaming devices two hours before he goes to bed. [7] In conclusion, he must do something to break his bad gaming habit.

C **Write the numbers of the sentences in the paragraph in B.**

_____ **a.** Topic sentence _____ **b.** Supporting sentences _____ **c.** Concluding sentence
