I REALLY HAD A GOOD TIME!

1. Read the postcard and complete the chart.

Dear Mom and Dad,

Cuzco is wonderful. I am fascinating with this charming city !. I visited its most important places last weekend . All morning I was touring around the city. First I visited the main monuments and places of interest. I was at the Plaza de Armas, the Cathedral, the Church of La Compañia and the Temple of the Sun, Coricancha. After that, I went to Sacsyhuaman Fortress, Sacred Valley and Ollantaytambo. Finally, I took some pictures and bought some souvenirs there.

I really had a good time!

See you soon.!

Love,

Joaquin
