FUN TIME!

UNIT
5

Fun time is my time,
It's your time too!

Fun time for children / everyone,
So many things / hobbies to do!

Listening / Dancing to music,
Playing the guitar / recorder,
These are things I like to do.
Rollerblading / Painting and watching TV,
Using the internet too.

Doing karate / exercise is very good,
And going to the park / zoo.
But my favourite thing is reading storybooks / comics,
At night when it's dark.
