Read the story below and answer the questions given.

Johan looked up at his new school. It looked enormous. His heart pounded and he held on tight to his mum's hand. Suddenly a whistle blew and all the children lined up noisily as the teachers came to collect their classes. Johan's mum led him to one of the lines. Johan tried to hide behind his mum but the teacher saw him and took his hand. The teacher introduced Johan to a small boy called Sam. For a moment, Johan forgot his worries because Sam smiled mischievously at him. They were off and Johan only just had time to wave goodbye to his mum.
