A. Read the movies blurbs. Then complete the chart.

Stop the Clock

Bruce Mills gives an excellent performance as a spy who uncovers a plan to change the future of the world. This is an old-fashioned action movie with a lot of suspense and incredible special effects. The stunts are amazing.

The Happy German

This lighthearted musical is set in Germany in the 1800s. It's about two people who work in a circus together and fall in love. It won an Academy Award for its costumes, and the music is excellent. It is subtitled.
