1) Read about the big city. Then write about the countryside.

In a Big City	In the Countryside
There are parks, but there aren't any forests. There are grocery stores, sports centers, and libraries, too. You can go to the movie theater and see a movie. There aren't any lakes to swim in, and there aren't any mountains. There aren't many places to play outside or have a picnic.	1 There are forests, but there aren't any parks. 2 There are _____. 3 You can _____. 4 There aren't _____ _____. 5 _____
