FRONT PAGE ABOUT ME I'VE READ I'VE WATCHED CONTACT

My school isn't in a town. It's in the country. It's a special school because it has a farm. There are eighty sheep, seventeen cows, eight pigs, four goats, a lot of chickens, two horses and two donkeys on the school farm.

My name's Susie. I'm eleven, and I'm in 6th grade. This is my first year at the school. Every Tuesday we have a class on the farm. We learn about the animals and how to take care of them. I really like the classes.

I often go to school early to help on the farm because I want to work with animals when I grow up. I usually help with the chickens. Some days I feed the chickens and give them clean water. On other days, I clean the enclosure and collect the eggs. We sell the eggs and meat. I like the chickens and pigs, but my favorite animals are the horses. They're big, but very friendly!
