My holidays

This is Linda at Halloween.

My name is Marcelo Bellini. I live in the north of Italy. Last year I went to the USA on holiday. I went there with all my family in October. I had a lot of fun because I met my cousins there. They live in New York. Their names are Linda and Chuck. They are great. Linda is ten and Chuck is eleven. Linda is good at dancing and singing, but Chuck isn´t. He is excellent at American football.

On October 31st American people celebrate Halloween. Linda dressed up as a witch and Chuck and I dressed up as ghosts. It was fantastic! We went round to houses, knocked on the door and asked, "Trick or treat?" The people in the houses gave us a treat. It was usually some sweets, money or biscuits. Sometimes some people didn't give us any sweets so we played a trick on them. We had a lot of fun!
