Most firms would put you in front of

Have your license

The client it out

To get him the goddam contract

I did not it

In the middle of an economic

Companies aren´t to spend money on attorneys right now

If you hadn´t done as much for me as you have, I´d be the door.

No more

As straight as an

I got for lying to a client

If I you under the ,you´re going to me with you

Do not pass it

Don´t tell anyone I laid it on you

I´ll knock it out of
