This book is about me, my family and my friends.

Mum calls me “my red kitten”.

Let’s have fun together!

My brother James calls me “A red, red rat!” Naughty boy!

My brother says: I am James Bond. But he doesn’t joke.

Mummy says: Children! Let’s do yoga exercises!

Oh, no! We hate yoga, it’s sooo boring!

James can play chess, but I can’t. It’s a pity.

Mum says that we are lazy-bones...

Yes,sometimes,when we don’t want to do our homework!
