AROUND THE CITY

Listen and read.

Dear all.

This letter is in English because I need to practice writing. Finn is helping me. I'm having lots of fun in Dublin. It's a great city! The people are friendly and my host family is fantastic, especially Finn. They've got a very nice house in the city centre. I can see Dublin castle from my bedroom window.

From Monday to Friday I go to school with Finn and his sister. The school isn't in the city centre. It takes 20 minutes to go by bus, but there's lots to see on the journey. Dublin is so beautiful! There are parks and museums.

There are some incredible bridges over the river. There's a port. And, of course, there are lots of shopping centres. Fantastic!

I love shopping!

Last Saturday, I was at the sports stadium for a pop concert. The music wasn't very good but the stadium was amazing!

My favourite place in Dublin is the Botanical Garden. Wow! It's gorgeous! I love looking at the exotic plants.

See you soon

Best wishes.

Ana

P.S. I hope you like the photos
