Spring

It's **already** the end of **winter**. The Flyers **look like** they're enjoying **spring**. There are different things to see **everywhere**. A **butterfly** on a leaf. An **insect** climbing up a leaf. A **swan** on the river. Birds flying in the air. The Flyers are still studying. In their lessons they are learning about what different things are made from. Perhaps you would like to help them. Complete the **letter** in *Let's write!*

butterfly

swan

bridge

plastic

insect

wing

wood

metal

gate

glass

paper

Spring

Read the **letter** and write the missing words. Write one word in each **space**. The words you need are on the Flyers whiteboard.

Dear Flyers,

Perhaps I can help you. I also know about what things are made from! Gold is an **expensive** (1) _____ and so is (2) _____. We get (3) _____ from sheep and (4) _____ is made from **special** sand. You can make many different things with (5) _____, which is like hard **paper**. I hope you have learned a **fact** or two from this **information**. Until **next** time, from your friend,

_____ (Your name)
