D. She is a hundred and sixty centimeters.

Read the text and answer questions number 9 to 12.

I live with my family. There are five people in my family who I really love. My parents are Mr. and Mrs. Charley. My father runs a business in furniture and my mother is a teacher. I am the second child in my family. I have an elder brother and a younger sister. My brother, Irfan is seventeen years old and three years older than me. He is in the second grade of senior high. My sister, Agnes is ten years old. She studies at elementary school. Now, I am in the second grade of junior high school.

We are all different. My father and I are interested in swimming and playing badminton. We often go to swimming pool together. Irfan likes some sports very much. They are playing basketball, cycling, and jogging. My sister likes to paint and draw. We are a happy family.

9. What is the text about?

A. It is about the writer
