There are five members in my family: my parents, my brother, my sister and me. My father is fifty-five years old. He is a doctor at Trung Vuong hospital. He always plays with us when he has free time. My mother is a housewife. She is the same age as my father. My brother is in grade 12, and my sister is in grade 8. We usually do our homework together after dinner. My house is not big and beautiful, but we always love it. How about you, Lan? Please write to me soon and tell me about your family.

I am waiting for your letter.

With love,
