English A1.2

Read the following passage and choose the correct demonstrative determiner to fill in the blanks.

Maria and her friend Jenna are on a trip to the beach. They arrived at a small seaside town yesterday, and today they decided to explore the area. They started by walking along the main street, admiring the many shops and cafes. Maria saw a dress in a store window and pointed it out to Jenna. "_____ dress over there is really pretty," she said. "I think I might go inside and try it on." Jenna nodded in agreement.

As they walked further, they noticed a group of surfers carrying their boards towards the beach. "Look at _____ guys," Jenna said, pointing towards them. "They must be really good to carry such big boards like that." Maria agreed, and they continued walking towards the water.

Once they got to the beach, they saw a family playing in the sand. The parents were building a sandcastle with their children. "_____ children here remind me of us," Maria said, looking out at the sea. "It would be so much fun to build a sandcastle too." Jenna smiled and agreed.

As the sun began to set, they decided to head back to their hotel. "Let's stop at _____ ice cream shop near here on the way," Jenna suggested. "I heard they have really good flavors." Maria was excited at the idea of trying a new flavor of ice cream.
