R5 – Christmas is coming

Oh oh, Christmas is **running / coming**
Those elves and reindeer are running
And I just want you **by/ buy** my side

Santa, is coming to **down / town**
And you're not gonna be around
This **snow / show** is bringing me **town / down**
'Cause tomorrow's gonna be a big **day / today**
And you're worlds away

I'd give anything
If we'd could sing
Fa la la la la la la la la la la

CHORUS

( ) This year, the season is crazy
( ) And I just want you by my side
( ) That's what makes it Christmas time
( ) Oh oh, Christmas is coming
( ) Snow globes, that somebody's shaken
( ) Those elves and reindeer are running

Gifts / Presents, under the tree
Could never mean as much to **me / you**
As you here
That's why I believe
That when I see Santa's sleigh
Heading this **way / away**

He's gonna hear my wishes
And know I miss ya
Fa la la la la la la la la la la

CHORUS

If we could all **see/ be** together
In crazy christmas sweaters
I know that santa hears **me / see**
Loud and **near / clear**
Don't ya hear me **know / now**?

CHORUS 2X
