Oh My God - Adele

I ain't got too [ ] time to spend
But I'll make time for you to show how much I care
Wish that I [ ] let you break my walls
But I'm still spinning out of control from the fall
Boy, you [ ] good love, I won't lie
It's what keeps me [ ] back even though I'm terrified

But I want to have fun
Mmh, yeah, mmh, yeah
I know that it's wrong
Mmh, yeah, mmh, yeah
I know that it's wrong
But I want to have fun

Oh my God/Dog, I can't believe it
Out of all the people in the world
What is the likelihood of thumping/jumping
Out of my life and into yours/your?
Maybe, baby, I'm just losing my mind
'Cause this is trouble, but it feels night/right
Teetering on the edge of Heaven and Hell
It's a battle I cannot fight/find

I'm a fool, but they all think I'm blind
I'd rather be a fool than leave [ ] behind
I don't have to explain myself to you
I'm a grown [ ] and I do what I want to do

"Lord, don't let me", I say, "Lord, don't let me"
I say, "Lord, don't let me, let me **up**" (oh Lord)
"Lord, don't let me", I say, "Lord, don't let me"
I say, "Lord, don't let me, let me **up**" (don't let me let myself **up**)
"Lord, don't let me", I say, "Lord, don't let me"
I say, "Lord, don't let me, let me **up**" (oh my God)
"Lord, don't let me", I say, "Lord, don't let me"
I say, "Lord, don't let me, let me **up**" (oh, oh-oh-oh, oh-oh-oh)
