WORKSHEET 2

My grandparents are farmers. They live in a village. They have a farm. There are many animals on the farm. My grandmother takes care of chickens, pigs and sheep. My grandfather takes care of horses and cows. They have to feed the animals every day. They grow apples, carrots, and corn in the fields. Chickens eat corn, horses eat apples and carrots and cows eat grass, and pigs eat corn, apples, carrots. My grandparents get up early in the morning to feed the animals and clean. I like to watch them feed the horses with carrots and chickens with corn.
