___ On Christmas Eve, we decorate the Christmas tree with Christmas baubles, angels and candy canes. We also put Christmas stockings full of small presents over the fireplace. The children then open all their presents on Christmas Day morning. At Christmas dinner, we eat Christmas pudding and turkey. We also pull Christmas crackers and have lots of fun!

___ In my house, we decorate the Christmas tree with Christmas baubles and angels. The children wait for the first star to shine in the sky on Christmas Eve and then they run to open their presents. During our Christmas Eve supper, we don't eat any meat – we eat fish and other things. We leave an empty chair at the table for an unexpected guest. We share a wafer and wish everybody Merry Christmas!
