September 4

Dear Zach,

I moved into my new apartment yesterday, and it's really nice. It's very large, so it's *not as cramped as* (cramped) the old one. My old place was _____ (big) for me. More importantly, my new apartment is brighter. My old place was _____ (dark). Unfortunately, the neighborhood is _____ (convenient) my old one. There are _____ (buses), and there's no subway nearby, so I drive to work. Shopping is also more difficult. The stores are really nice, but they're _____ (expensive) for me! I hope you can come and see it soon.

Love,

Tamara
