SHIVER

I ..... an arrow to the heart
I never kissed a mouth that tastes like .....
Strawberries and somethin' .....
Ooh yeah, I ..... it all
Lipstick on my guitar (ooh)
Fill up the engine, we can ..... real far
Go dancin' underneath the stars
Ooh yeah, I want it all
Mm, ... got me feelin' like

CHORUS

I ..... be that guy, I wanna kiss your eyes
I wanna drink that smile, I wanna feel like I'm
Like my soul's on fire, I wanna stay up all ..... and all night
Yeah, you got me singin' like

Ooh, I love it when you do it ..... that
And when you're close up, give me the shivers
Oh baby, you wanna dance 'til the ..... cracks
And when they say the party's over, then we'll bring it right back
And we'll say, ooh, I love it when you do it like that
And when you're ..... up, give me the shivers
Oh baby, you wanna dance 'til the sunlight cracks
And when they say the party's over, then we'll bring it right back

Into the .....
On the backseat in the moonlit dark
Wrap me up ..... your legs and arms
Ooh, I can't get enough
You know you could tear me apart (ooh)
Put me back ..... and take my heart
I never thought that I could love this hard
Ooh, I can't get .....
Mm, you got me feeling like

Baby, you burn so hot
You ..... me shiver with the fire you got
This thing we started, I don't want it to .....
You know you make me shiver-er-er
Baby, you burn so hot
You make me shiver with the fire you got
This thing we started, I don't want it to .....
You know you make me shiver
Yeah, you got me singin' like
