- String.

LIVEWORKSHEETS

The instructions are all messed up. Put them in order following the pictures.

Paint and decorate - Cut out the shark's teeth - Have fun! –
Paint and decorate the yellow case as a fish - Cut the bottle in half –
Cut out the shark's fin and stick it –
Make a hole in the bottle top and in the yellow case –
Draw the shark's jaws on the plastic bottle - Tie the rope into the holes
