# Exploring Internet

## Grade 5 ICT

**Learning Objective: I can judge and evaluate information from the internet**

## ACTIVITY:

Type 'How big is the biggest dog in the world?' into the search bar. Look at the top three (3) results and type down how big each one says the biggest dog is .

| Paste here the top three (3) links | Type down how big the biggest down is |
|---|---|
| | |
| | |
| | |

Do they all say the same? Are they all giving information about the same dog?

Type 'How may bees are there left in the world?' into the search bar. Look at the top three (3) results and type down how many bees each one says left.

| Paste here the top three (3) links | Type down how many bees are left |
|---|---|
| | |
| | |
| | |

Do they all say the same information?
