Hi!

My name is Tom. I am eight. I go to school. Every day I have got five or six lessons. After lessons I play with my friends.

I have got many toys. I have got two cars. One car is blue and one car is black. I have got a long new train. And I have got a big kite. It is red, green and yellow. I have got a funny teddy bear, five balls, a plane and a robot.

My favourite toy is my bike. It is new and green.

1. How old is Tom?
2. How many toys has Tom got?
3. What colour are Tom's cars?
4. Tom's kite is...
5. What is Tom's favourite toy?
