R 3. Read and complete the map of London.

LONDON

London is a big city with a lot of very interesting things to see...
Let's discover London!

River Thames: it's the river of London.

Piccadilly Circus: it's a famous square. In the centre there is a statue of Eros.

St. James Park: it's between Piccadilly Circus and Buckingham Palace. It's a very beautiful park.

Buckingham Palace: it's the home of the Queen. It is near St. James Park. When the Queen is in London, the flag is on the Palace.

St. Paul's Cathedral: it's a very big cathedral. It's near the Tower of London and the London Bridge.

Westminster Bridge: it's a bridge on the River Thames in front of Big Ben.
