Reading Comprehension Exam for Beginners

The Beautiful Garden

Once upon a time, there was a small village with a beautiful garden. The garden had colorful flowers, tall trees, and a small pond with friendly ducks. The villagers loved to spend time in the garden, enjoying the fresh air and the peaceful surroundings.

One day, a little girl named Lily visited the garden for the first time. She was amazed by the vibrant flowers and the playful ducks in the pond. Lily decided to explore the garden and see what she could discover.

As Lily walked through the garden, she saw a friendly squirrel playing in the trees. She giggled with joy and continued her journey. Near the pond, Lily found a bench and decided to sit for a while. The ducks waddled over to say hello, and Lily couldn't stop smiling.

As she sat on the bench, Lily noticed a colorful butterfly fluttering nearby. It danced from flower to flower, spreading happiness in its path. Lily was fascinated by the butterfly's graceful movements.

Soon, Lily's new friend, Jake, joined her on the bench. Jake was a boy from the village, and he loved spending time in the garden too. They chatted about their favorite flowers and the funny ducks in the pond.

The two friends decided to explore the garden together. They found a hidden path that led to a small bridge over a stream. The water sparkled in the sunlight, and Lily and Jake felt like they were in a magical place.

After some time, Lily and Jake discovered a small picnic area with tables and benches. They decided to have a picnic with sandwiches and juice.
