At home, it is important that everyone helps with the housework. At school, the **teaching staff** teach pupils. The **non-teaching staff** look after the school, library and meal times. Who is Sam helping?

Page 71

Read and number. Circle the jobs you do at home.

- [ ] She is making the bed.
- [ ] He is taking out the rubbish.
- [ ] She is washing the dishes.
- [ ] He is laying the table.

Some people work with nature. They obtain or extract **raw materials** with the help of tools and machines. Where are Amy and Sam? Why are they wearing helmets?

Page 72

Listen. Use the code to match the three columns.

job	machine	raw material
A fisherman uses ...	a drill	to grow crops.
A farmer uses ...	a chainsaw	to extract oil.
A miner uses ...	a net and boat	to catch fish.
An oil worker uses ...	a tractor and plough	to cut down trees.
A lumberjack uses ...	a pickaxe	to mine rocks.
