ART B. READING COMPREHENSION

LISBON - A CITY BY THE SEA

1. Lisbon's the capital city of Portugal. It's on the River Tejo, and it's next to the sea. Lisbon's a pretty small capital city - about 550, 000 people live there.
2. Lisbon has some very old areas. Alfama and Graca are beautiful old districts with narrow streets, small squares, and interesting shops. Above them is a castle of São Jorge. There are wonderful views of the city from the castle. You can walk to Alfama and Graca, or you can take the streetcar. It's a great way to see this part of the city.
3. If you want to go on a day trip, take the streetcar to Belém. It's the last district before the beach. There are some interesting museums, a cultural center, and some really beautiful parks. You can try Belém's famous *pastel de nata*, too. These are delicious custard pastries - perfect with coffee.
4. There are lots of places to eat and go out in Lisbon. Bairro Alto's a good place, and there are lots of restaurants and stores. It's pretty noisy at night sometimes. If you want a traditional Portuguese restaurant, go to Alfama or Graca.
