INTERACTIVE COMMUNICATION CLASS

THEME: Body

TEENS

Vocabulary

Activity 1: Listen, repeat and connect the parts of the body.

https://www.liveworksheets.com/pj330239lk

Activity 2: The monster contest

You have to draw a monster. Each student says a part of the body and the teacher throws the dice, the number on the dice is how many parts of the body the monster has.

Example:

Student: Arms

Teacher throws the dice: The number is 6. Your monster has 6 arms.

Observation: Everybody is going to draw the same monster.
