Analytical Exposition

- **Analytical Exposition:** A type of text that presents arguments and opinions supported by evidence and reasoning.
- **Structure:** Introduction, Thesis Statement, Arguments, Counterarguments, Conclusion.
- **Language Features:** Present tense, logical connectors, facts and opinions, evaluative language.
- **Purpose:** To persuade the audience and present a balanced view on a controversial topic.

Purpose of Analytical Exposition

Analytical exposition is a type of writing that aims to persuade the audience and present a balanced view. It uses evidence and reasoning to support arguments and opinions. This form of writing is commonly found in opinion articles, essays, and debates.

Structure of Analytical Exposition

- **Introduction:** Present the issue and thesis statement
- **Arguments:** Provide supporting evidence and reasoning
- **Counterarguments:** Address opposing viewpoints
- **Conclusion:** Summarize main points and restate thesis

Using Evidence in Analytical Exposition

- **Evidence** plays a crucial role in making arguments more convincing.
- It helps convey ideas clearly and persuasively.
- Supporting claims with facts and statistics adds credibility.
- Evidence unlocks the power of *analytical exposition.*

TASK F

LET'S READ IT and ANSWER THE QUESTIONS BELOW!

I personally think that reading is a very important activity in our life. Why do I say so?
Firstly, by reading we can get a lot of knowledge about many things in the world such as Science, and technology. Sports, arts, culture, etc written in either books, magazines, newspapers, etc.
Secondly, by reading we can get a lot of news and information about something happening in any part of the world which can we see directly.
Another reason, reading can give us pleasure too. When we are tired, we read books, newspapers or magazines on the entertainment column such as comedy, short story, quiz, etc. to make us relaxed.
The last, reading can also take us to other parts of the world. By reading a book about Irian Jaya we may feel we're really sitting in the jungles not at home in our rooms.
From the facts above, it's obvious that everyone needs to read to get knowledge, information and entertainment. Or in summary, we can say reading is truly important in our life.

1. Why is reading very important in our life? Because.....

A. By reading, we can get a lot of friends, relatives, experience, etc.

B. By reading, we can get little knowledge but a lot of entertainment.

C. By reading, we are always relaxed.

D. By reading, we are always happy.

E. By reading we can get a lot of knowledge, news, information and entertainment

2**. If we want to get knowledge, what should we do?**

A. buy a lot of books

B. borrow a lot of books

C. look for newspaper and magazine

D. sell and buy many expensive books

E. Read a lot of books and other printed materials.
