What a day! by Sonia

First, I woke up late. I usually hear the alarm clock but today I didn't. I didn't have time for breakfast and I missed my bus. I arrived at school fifteen minutes late. I forgot my lunch box. My friends gave me some of their lunch. Then we had cooking class. It was Tuesday. Tuesdays are cooking days. I didn't have my recipe or my ingredients so I helped one of the teachers to tidy the fridge. Great!

I left school at four o'clock. While I was waiting at the bus stop, police cars arrived. 'Oh no! What's the problem now?' The road was closed.

We waited and waited and waited. An hour later, a bus came. We got on the bus. But we still didn't know what the problem was. It was seven o'clock when I got home. Mum was really worried. I was in big trouble. And I left my mobile phone at school!

While I was eating my dinner, I heard the news. 'And here's the latest news on the two robbers who stole ten computers from Lakehurst School earlier this afternoon. The robbers were outside the school in a black van at 4 o'clock. All the roads around the school were closed. The police think the robbers were dangerous. The school will be closed all week.'
