Habitual past

Micro teaching

1. I used to / would have long hair, but now I have short hair.
2. When I was a student, we would /used to often have a drink after class on a Friday.
3. She didn't used / use to like chocolate, but she does now.

4. I used to / traveled to Paris three times when I was young.
5. He was always boasting / boast about his financial successes. It irritated us all no end.
6. She was always coming / always was coming late for meetings. No wonder she was never promoted.
7. We would / had go to a little restaurant near our house.
8. She had / would lived here for three years by the time we met.

9. Did you used / use to study French in Paris?
