My favorite animals are chimpanzees. Chimpanzees are brown. They've got long arms and short legs. They live in the rain forests in Africa. They eat plants, fruit, and meat. At night they sleep in trees. They do not run fast. They walk, or climb trees and swing from tree to tree. Chimpanzees live for about 35 years. I like chimpanzees because they're clever.

My animals are tigers. Tigers are yellow and black. They've got big teeth. They live in favorite the jungle in South Asia. They eat meat. They do not eat plants or fruit. They sleep during the day and hunt at night. They run very fast. Tigers live for about 20 years. I like tigers because they're beautiful.
