Practice

Read more about Penny Davies' life. Use the information to complete the questions or write negative sentences. The examples will help you.

When I **returned** to the UK in 1977, I **moved** back to Wales. I **wanted** to live near my cousins. I was bored, so I **started** a university course. I **studied** history. When I **finished** my degree, I **needed** some money, so I **started** writing articles for the local newspaper. I **worked** there for ten years. A nice man called David worked there too. I **married** David when I was seventy years old. We stopped working and **traveled** all over the world together. We **visited** 25 countries.

Example:

• When *did Penny move* back to Wales?

• She wanted to live near her children. *She didn't want to live near her children. She wanted to live near her cousins.*

1. Why _____ a university course?
