Read the paragraph and answer the questions.

It was the weekend; Tyler asked his mum if he could ride his bike to the park. "Then, you must wear your helmet, when you are riding." She said.

When Tyler got to the park it was filled with people holding litter bags. A lot of his friends were there and there were some of his teachers as well. His friend Bella said, "Everyone is helping in and cleaning the park today." She asked Tyler if he would help. Tyler said, "Sure," and asked for a litter bag. He worked to clean the fountain and he picked litter off the park's paths. He helped Bella water the flowers. There was a sign which said "You mustn't walk on the grass" he helped his teacher fix.

When he got home at half past eight, he was really tired. He had a quick shower and went to bed early.
