2. Read Kate's film review and do the tasks below.

My favourite film is *Fame*. I've got the DVD and I often watch it with my sister, because we love musicals! My mum sometimes watches it with us, but my dad never watches it. He hates musicals!

Fame is about a group of American students at the School for Performing Arts in New York. The students at the school are actors and they also sing and dance. There are lots of songs. My dad thinks they're boring, but I think they're great.

I like *Fame*, because the characters in the film are really interesting. The main characters of the film are Denise Dupree and Victor Taveras. I like Denise. She plays a romantic character, but she's also very funny in *Fame*.

In my opinion, Fame is great, because the story and the characters are fantastic and the songs are amazing!
