Hi. I'm Danny Fletcher. I'm from Seattle.

So what's important in my life? My friends are very important! This is a photo of me with Carla and Rob, my best friends. We're at Carla's house. Carla's wearing a green T-shirt and Rob's wearing a yellow and black T-shirt. Carla's sister, Emily, is wearing a white T-shirt. The dog's name is Brutus. It's their parents' dog.

My cell phone is also very important to me. All my friends' phone numbers are in my phone.

Music is also important in my life. My favorite band is Green Day. Their new album is great. Rob, Carla, and I are in a band. Our band is called Purple Apples. That's Rob's blue and black guitar in the photo.
