On Saturday, a small baby elephant had a very bad cough. Harry's uncle tried to give the baby elephant some medicine. But because the mother elephant was afraid, she pushed his hand away. Harry's uncle said,' We must take the baby elephant to the zoo hospital .' At the hospital, Harry's uncle gave him some warm milk and medicine.

That week, Harry had a holiday from school so he helped his uncle with the baby elephant every day. After six days, the baby elephant was much better, so Harry's uncle took him home to his mother. Harry was sad when he said goodbye. Harry's uncle understood the problem. ' When he was ill in the
