(1) The Piano

The piano is one of the most popular musical instruments in the world. It is used in many styles of music from pop to classical to jazz.

Around the year 1700 Bartolomeo Cristofori, an Italian harpsichord maker, invented the piano.

(2) The name piano comes from the Italian word pianoforte which means "loud and soft". This is because you could now control the volume of notes when playing the keys.

There are two main types of pianos: the grand piano and the upright piano.

Joe Gardner is a middle school band teacher who loves jazz. He plays the piano in the movie Soul.
