Let me tell you about my bedroom. There are many kinds of furniture in my bedroom. In the center of my room, there is my bed. The bed is made of wood. There is a nice bed cover and a warm blanket for my bed. On the right side of my bed, there is a wardrobe. I put my clothes in it. On the left side of my bed, there is a bookshelf. I put my books there. There is a table and a chair next to the shelf. I usually sit there to study. On the table, there is a desk lamp. When I study in the evening, I always turn on the lamp. There is also an alarm clock on my table. I set the alarm in the evening before I go to bed. It wakes me up in the morning. I always clean my bedroom every day. I arrange things neatly to make my bedroom comfortable to live in.

7. The text mainly tells us about . . .
   a. The furniture in the writer's bedroom

On last Wednesday, I've got unforgettable experience. The day before, I played game on-line until 00.00 am. Because of that I woke up late.It was about 7.30 am and the class would be started at 8.00 am. I ran to bathroom to take a bath. I used to have breakfast before leaving home, but on that day It was impossible.

I always rode motorcycle to go. But what an amazing thing happened, I forgot where I put the key. So, I went to campus by public transportation. Of course, it took longer time. I arrived at 8.15 am, I hurried to get to class but I saw my lecturer standing in front of the class to teach. I entered my classroom and you know what, he was angry to me and didn't let me join his material.

It was my bad experience and I hoped I would not do that again.

16. What can we learn from the text ?
    a. We have to have breakfast every morning
    b. We have to obey our lecturer's regulation
    c. We have to be able to manage our time properly
    d. We have to play game on- line with friends.
17. What should the writer do to avoid being late again to his campus?
    a. He should not play games too often
    b. He should go to bed earlier and get focused with his study
    c. He should ensure that his motorbike is in a good condition.
    d. He should set an alarm before he gets to bed.

c. His little brother, his father and mother
d. The writer, his little brother, and his mother

Read the text below to answer the question by writing the answer A,B,C, or D in the box !

A **teenager**, or **teen**, is a person of 13 to 19 years old. The word "teenager" is another word for an adolescent. When a teenager turns 20, they are no longer a teenager: they are no longer in that developmental stage. During puberty, rapid mental and physical development occurs. Adolescence is the name for this transition period from childhood to adulthood. Yet, the end of adolescence and the beginning of adulthood varies by country.

In the United States, children and teens from the ages 11-14 go to middle school, while teenagers from the ages of 14-18 typically go to high school

33. What kind of the text above?

a. Descriptive Text
b. Narrative Text
c. Report Text
d. Recount Text

34. What happens to teenagers during puberty?

a) they are no longer considered a teen age.
b) they go to middle school and then high school.
c) they are no longer in that development stage anymore.
d) they go through changes both physically and mentally

35. It is implied from the text that ...

a. teenagers, or teens, are those who are 13 to 19 years old.
b. adulthood may begin differently from one country to another
c. teenagers go through changes both physically and mentally
d. teen-age is a transition phase from being a child to become an adult

When he walked closer to her, Dayang Sumbi got very surprised. She saw the scar in Sangkuriang's forehead, and soon she knew that he was her son, who left her a long time ago.

Once upon a time in West Java, Indonesia, There lived a princess named Dayang Sumbi and her only son, Sangkuriang, also with their very loyal dog, Tumang.

Many years later, Sangkuriang grew up to be a powerful man. One day he went back to his village.

Sangkuriang realized that Dayang Sumbi had cheated him. He got very angry and he kicked the boat upside down. It gradually became a mountain and it is now known as Mt. Tangkuban Perahu

Sangkuriang build a lake and a boat in just one night with the help of genies. By midnight he finished the lake and then started making the boat.

He killed Tumang! Then, he brought his heart home and gave it to Dayang Sumbi.

He always played with his very loyal dog, Tumang. He did not know that he was actually his father, because Dayang Sumbi hid the secret from him. Sangkuriang liked to hunt in the woods, of course with Tumang.

Insert your debit card into the ATM. Mobile banking cards come in two varieties — *debit* cards and *credit* cards. Debit cards are most frequently used in ATMs; they're linked to the exact amount you have in your bank account

Practice basic safety procedures. People using ATMs will occasionally be targets of robberies and other crimes, so you'll want to be sure to be safe

Withdraw money. You can withdraw money for almost any ATM, regardless of the associated bank (though this may incur fees).

Follow the prompts to end your session. Once you've completed your transaction, you'll have to follow the on-screen prompts in order to exit out and get your card back

Select your language. Most ATMs will offer transactions in several different languages, usually at least three or more dependent on where you live.

Enter your PIN when prompted. "PIN" stands for "personal identification number," and it's typically a four- to six-digit password people use to access their bank account. Enter your PIN number when asked to by the machine, making sure to shield the pad with your hand so that nearby onlookers can't see it.
