Reading

8 Julia is from Bulgaria. Read about her life. Write T (true) or F (false).

Julia is fifteen years old and she lives in Stara Zagora in Bulgaria. She's got a brother who is seventeen and they live with their parents and their grandmother in a small flat in the centre of the town. She goes to a language school and studies English for four hours every day. She also studies all the other subjects like Maths and Geography but her favourite subject is English. Every evening after school she does her homework and then she listens to music. She hardly ever watches television because she doesn't like the Bulgarian programmes. She enjoys English comedies and American films and she sometimes watches sports programmes because she plays tennis.

Julia's mother works in an office and her father works in a factory. They are very busy and they don't have much free time but at the weekends they usually visit friends and family. Julia and her cousin Magda go to the cinema every Saturday evening and on Sundays they study together because they're in the same class at school.

Julia likes Stara Zagora because there are a lot of places to visit and she's got a lot of friends there. When she finishes school, she wants to go to university and study English because she wants to be an English teacher.
