Finesse - Bruno Mars

Ooh, don't we look good together? (Together, together)
There's a reason _____ they watch all night long (all night long) (wow)
Yeah, I know we'll turn heads forever (forever, forever)
So tonight I'm gonna show you off

_____ I walk in witchu (when I walk in witchu)
I watch the whole room change (I watch the whole room change)
Baby, that's _____ you do (baby, that's what you do)
No, my baby don't play (no)
Blame it on my confidence or blame it on your measurements
Shut the shit down on sight
That's right

We out here drippin' in finesse
It don't make no sense
Out here drippin' in finesse
You know it, you know
We out here drippin' in finesse
It don't make no sense
Out here drippin' in finesse
You know it, you know it

Now slow it down for me, baby (baby, baby) (slow it down, girl)
'Cause I love the way it feels _____ we grind (when we grind) (yeah)
Our connection's so magnetic on the floor
Nothing can stop us tonight

_____ I walk in witchu (when I walk in witchu)
