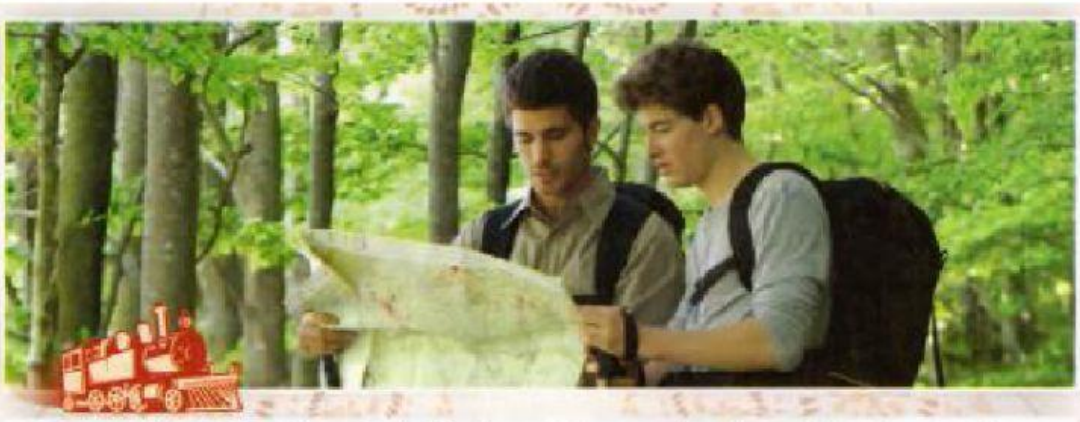
Travel Plans

GOING TO to talk about future plans

Molly has lots of friends, and they are all planning their holidays. Let's see!

1. **Read about Bruno and André. Decide if the information is true or false.**



Bruno and André are from Brazil. They're explorers, and next week they're going to start an exciting trip. They're going to travel around the world in eighty days. They're going to make the trip that Jules Verne wrote about in his famous book, 'Around the World in Eighty Days'. They're not going to travel by plane. They're going to use transportation from the 19th century. They're going to travel by boat and train. In India, they're going to ride elephants. In the snowy parts of North America, they're going to travel by sled. They're not going to take a lot of luggage because they're going to carry their bags all the time. They're going to visit lots of different countries. It's going to be an amazing trip!
